

# Blue Lagoon Xpert-Series Duplex

Suitable for standard chlorine pools and salt-water electrolysis pools!

## Blue Lagoon Xpert Duplex UV-C

The Duplex UV-C is made out of Duplex stainless steel and comes in two types: 80 W and 140 W amalgam. The unit is suitable for **all types of swimming pools**, such as chlorinated and salt-water (electrolysis) pools. The Duplex stainless steel will not be affected by the salt-water and this prevents corrosion to the housing.

### Advantages

- Salt-water suitable.
- Equipped with two multiple connections for easy installation.
- Equipped with a flow switch to turn of the lamp at insufficient water flow (not included with 80 W)
- Visual lamp indicator in top of unit
- Made in the Netherlands
